GREGORY N. JORDAN
FORMER MARION COUNTY TREASURER
INDIANAPOLIS, INDIANA
Pilgrim Chapter

Brother Greg began his life of service to others as a young man in Pilgrim Chapter of Bend Oregon. This man who served 2 elected terms as County Treasurer of Marion County, which includes Indianapolis, Indiana, continues to serve and inspire others.

Brother Greg joined Pilgrim Chapter as a young man rising through the ranks eventually becoming the 39th State Master Councilor of Oregon. Beyond his successful term as SMC, Brother Greg accepted the role as Executive Director of the Indian DeMolay Foundation where he spent years impacting the lives of countless DeMolays as he began his journey of life.

Throughout Greg's life he has always had a strong moral compass, conducting himself with integrity, compassion for others, and a desire to make a positive difference for the organizations he belonged to, as well as the people with whom he came in contact. Greg, to his core, has always believed that to make a difference one needs to be actively involved with causes greater than ourselves.

Besides Greg's continued service to DeMolay and Freemasonry, he has worked diligently on behalf of numerous civic and professional organizations, always serving others and making a positive difference for his community, his church, his loving family, and his friends.

Greg has been active in politics serving as Indiana's Marion County Deputy Treasurer and Treasurer from 1982-2044 where he won re-election. He served as Director of the National Association of County Treasurers and Financial Officers and a member of the Board of Directors of Indiana Counties. Greg was also nominated for Mayor of Indianapolis, Indiana.

At this point in Greg's life he is not slowing down, and continues that pace of service to others that began during his time of leadership in DeMolay in Bend, Oregon. Besides his continued devotion to our Order and Indiana Masonry, Greg currently serves as Senior Vice President of Government Utilities Technology Service.

Family and Faith have always been a cornerstone in Greg's life. He and his wife Rosie of 46 years have two children Michael and Jennifer, and have one grand daughter Anna. Greg and Rosie are active members of the North United Methodist Church where they have held several positions including singing in the choir.

Greg truly believes his devotion to service to others and involvement with causes greater than ourselves is anchored in his experience as a young man and leader in DeMolay. He has truly taken the teachings of our Order and the leadership experiences he gained and built an admirable life of integrity, love, and leadership and making a positive difference in the lives of all with whom he came in contact.
